a jive and swing band playing good-time music from the 40's onwards.

Guaranteed to get you out of your seat and strutting your stuff, the band plays a unique blend of originals and covers to put a smile on the face of the audience. Inspired by the likes of Louis Jordan, Duke Ellington, Louis Prima and Big Bad Voodoo Daddy, The Numbers Racket Swing Band have been playing across the UK for over eight years. They have played at the famous 100 Club in London, Cardiff Coal Exchange, Café Jazz Cardiff, and at Brecon Jazz Festival, Birmingham International Jazz Festival, Hep Cats Holiday 2010 and Pontypool Jazz Festival 2010 at which they were the headline act and festival closers. Fans will also be able to see them at the Llandeilo Jazz Festival in July 2015.

We guarantee that this will be a very special evening!**
